

# COACHING SCHOOL

Become a better youth football coach at the USA Football / Indianapolis Colts Coaching School. The one-day clinic is taught by top local high school coaches and includes both classroom and on-field sessions with a curriculum specifically designed for youth, middle school and junior high coaches. Learn to teach proper fundamentals for every position, organize your practice, and communicate with players and parents.

Visit <http://www2.usafootball.com/schools/browse/coaches> to register.
